Secretary Janice Prucha

9:10 am meeting convened with opening prayers lead by Mary Marinucci, president. Nine members present.

Secretary's report given; M/S/A. Treasurer's report given by Debby Kurz. There was no income for the month of January. The total income from the bake sale which included donations was \$3,197. Monies from coffee and donuts after Masses for February was \$112. All Christmas gifts have been accounted for. It seems we over paid for ads placed in the Pine Cone Press and will be reimbursed from the parish for the over payment.

COMMITTEE REPORTS

Food shelf: Jam the Jars will begin the 1st of March and run thru the end of April. Last year the drive was very successful. A notice will be placed in the bulletin.

Flowers: Kathleen Seiler reports that reusing the flowers has helped us save and goodly amount of money. We will continue this practice.

OLD BUSINESS

The gift trays for the fire department will be arranged this month. Janice will contact them to see when they'd like to receive them.

NEW BUSINESS

Soup supers will again be held following stations of the cross during Lent. This begins 7 March. The sign up calendar is available after the meeting. All are welcome provided they attend stations!

New signs are needed for the dine in and take out for the hunters dinner. A vote was taken and approved Mary Marinucci to order the 2 signs needed at a cost of \$17 each.

Diane Hasser brought up the need for us to update our parish directory. A request will be put in the bulletin for parishioners to give us updated information and a booklet style directory will be put together and available ASAP.

Thank you to Kathleen and Mike Seiler for the new vacuum!

With all business concluded, the meeting was adjourned @ 10am. Next meeting: 12 March.
Respectfully submitted, Janice Prucha, secretary
