Marian Consecration

Marian consecration, the act of consecrating oneself to Jesus through the intercession of his Blessed Mother, is actually rooted in the words of Jesus himself when he beseeched the Apostle John to look upon Mary as his mother (John 19:27) and to "take her into his own home." He was actually instructing us all to do likewise — to "behold your mother" and take Mary into our hearts, for wherever she is beloved, Christ is known and praised.

St. Maximilian Kolbe described Mary as "the stairway to Heaven." Marian consecration, therefore, could be likened to climbing the stairs. Different formulas exist for spiritual development in preparation for the consecration, based on the writings of saints like St. Louis de Montfort, and there are different prayers for the act of consecration. However, there is no "right" way to consecrate oneself to Jesus through Mary, so long as the ultimate goal is closeness to Christ and the glorification of God.

Welcome in the Name of Jesus Christ

We extend our hearts and hands in Christian hospitality to you. To begin communications with the Parish Office, complete this form. You may send it by mail or drop it in the collection basket.
