WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

Parish Registration

Question: Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Answer: Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

The Diocese will be conducting a financial/internal control review of our Parish this month. Reviews are conducted by the Diocese on a cyclical basis. The purpose of the review is to ensure good stewardship and to share best practices for parish financial operations. The outcome of the review will be a report of findings with corrective action plans, if required. The parish financial reviewer, Mary Ann Kepler, may be contacted at: maryann.kepler@duluthcatholic.org or 218-728-8365.
