Soup suppers on Friday are going well.

The Longville chamber offered us an opportunity to expand on advertising. After discussion it was decided we are doing fine with our current status. Vote was unanimous to decline.

Fr. Joe is in need of more caramels for the confessional. We have some available in the freezer but don't want to completely deplete our supply in case a funeral occurs.

The first responders group is NOT part of the fire department so we discussed giving them a donation and a huge thank you. It was moved to give them \$500 and add them to our annual gift giving in December. Passed with a unanimous vote.

With business concluded the meeting was concluded. Next meeting: 08 April 26 .
